++ Valid for broadcast between 1800 and 0600

Headline:
Dry, increasingly misty overnight and mostly cloudy. Light winds.

This Evening and Tonight:
Early cloud breaks and clear spells for western areas, especially the Pennines, with the lowest temperatures here. Otherwise cloudy and becoming misty with some fog, this mainly covering hills and some drizzle. Generally remaining mild. Minimum temperature 3 deg C (37 deg F).

Sunday:
Misty start and generally cloudy, with limited bright or sunny spells, once hill fog and early patchy drizzle gradually fades away. Light winds and feeling rather mild. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Cloudy and misty with some light rain Monday and Tuesday, mainly across the Cheviots and Pennines where dense fog is likely. Wednesday drier and brighter, but feeling cooler. Becoming windy.
